

NCI_1166_HANSON PROJECT TIMELINE

Work Authorizations 1 & 2 (Approved August 15, 2018) REVISED: September 2018		Task Lead	2018												2019				
TASKS	START: June 1, 2018	Priority	June	July	August	September	October	November	December	January	February	March	April	END May					
			Task 1: ATTEND AND SUPPORT TEAM AND INTERAGENCY MEETINGS	NCI	Monthly Calls: Next 10/1/18														
Task 4: STAKEHOLDER OUTREACH, MEETINGS (X) and DESIGN COORDINATION	NCI								Nancy to coordinate w/ Don										
Task 5: ENVIRONMENTAL AND SUPPORTING STUDIES	Team																		
Task 5.1 Biological Assessments (Field Studies, Mapping and Report)	HTH/ARA																		
Task 5.1.a Vegetation Mapping, incl. Rare Plants and Invasive Species	HTH	1					M												
Task 5.1.b: Wildlife Survey for endangered, threatened and sensitive species	ARA	1					M												
Task 5.2: Geotechnical and Soils Review	MPEG																		
Task 5.2.a: Geotechnical and Soils Analyses and Report	MPEG	1						D	F										
Task 5.2.b: Prepare Geologic R1 Report Summarizing Results	MPEG							D	F										
Task 5.3: Hydrology & Hydraulic	NCI/KHE																		
Task 5.3.a: Review Existing Hydraulic Model and Configure for 30% Design	KHE	1					M												
Task 5.3.b: Hydraulic Modeling and Documentation Supporting 30% Design	NCI	2								D		F							
Task 5.4: Groundwater Assessment and Design Support	LSCE	1						P	M			M							
Task 5.5: Cultural Resources Study and Report	ARC	2					D	F											
Task 5.6: Public Services and Utilities Map	NCI	2			D					F									
Task 6: 30% DESIGN PLANS and PLANNING PERMIT APPLICATION	NCI																		
Task 6.1: Site Constraints Analysis	NCI	1					D		F										
Task 6.2: Project Decryption (Draft and 1 DRAFT Revision)	NCI	3					D				F								
Task 6.3: Develop Approach for Revision to Reclamation Plan(s)	GZA/NCI	1						M	F										
SMARA Plan Revision Process and Consensus Development	GZA																		
Task 6.4: Prepare Master Restoration Plan	NCI/Team	1						O	D		G								
Task 6.5: Develop 30% Restoration Design		2																	
Task 6.5.1: Civil Design and Design Team Coordination	NCI							D			F								
Task 6.5.2: Riparian Corridor Design:	NCI/KHE								D		F								
Task 6.5.3: Construction Methods, Phasing and Sequencing	NCI							P	D		F								
Task 6.6: 30% Restoration Design: Engineering Plans & Costs	NCI	3								D		F							
Task 6.7: Draft Basis of Design Report	NCI	2						O	D		F								
Task 6.8/6.9: Prepare and Submit Reclamation Plan Amendment Application		1								D		F							
Task 6.10: Prepare 1 Draft & 1 Revised Draft Use Permit Application, Submit Application	NCI/KHE	1							O		D		F
