

# River Awards Gala

June 15, 2016

Dear Friend of the Russian River,

Russian Riverkeeper is very excited to announce our 2nd annual **River Awards Gala**. On behalf of our Board of Directors and staff, we invite you to become a sponsor of our celebration to honor those who inspire our communities within the watershed to protect the Russian River.

**Russian Riverkeeper presents:  
RIVER AWARDS GALA  
Saturday, September 24th 4-8 p.m.  
Shone Farm, Forestville**

The Russian River is the main source of water that drives the economy of our communities from Ukiah to Jenner. It is also the most utilized recreational resource in our watershed and home to hundreds of species of birds, bats, amphibians, mammals, fish, turtles and river otters! It needs your support to meet the challenges brought on by decades of abuse, neglect, channelization, mining, water diversions and logging as well as our increased population. Improving the health and resiliency of the River is the most critical action we can take for our communities, economy and environment. ***The River Awards Gala will honor and highlight those people, businesses and farms that are leading the Russian River to a more resilient future.*** The Gala will also help to educate attendees on the actions the awardees are taking to improve the River's health.

The Gala features a scrumptious locally sourced dinner, live music, our world-class local beer and wine, a loaded silent auction, a live auction with Senator Mike McGuire and a great time with friends from across the watershed. Here is how you can help to honor our heroes:

- Sponsor the Gala and receive tickets, recognition at the Gala, publicity and other perks
- Donate auction items for our silent and/or live auctions and receive recognition at the Gala
- Donate food, beer, wine, etc. and receive recognition at the Gala

Support Russian Riverkeeper in its efforts to Educate, Advocate and Celebrate the Russian River. Give today! We look forward to seeing you on September 24th at Shone Farm for the 2nd annual River Awards Gala.

Warm Regards,

Ed Burdett
